### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Gunther Hanke on 12/17/08. Applicant agreed to include the limitation "slidably" in claim 22 in order to make it consistent with the other independent claims. This is to distinguish the claim from references such as Gunderson et al (US 5,601,087), wherein the optical fiber is fixed and a slidable fiber is not desired. An amendment to claim 3 is also included to correct an error in dependency. In addition, it is noted that claims 33 and 34 were incorrectly labeled with a "New" claim status identifier. These claims should have been labeled "Previously Presented."

The application has been amended as follows:

- 1) In claim 3, change the dependency from "claim 2" to --claim 1--.
- 2) In claim 22, line 9, insert the term --slidably-- before "disposed."

Art Unit: 3768
